Company Profile

FM Rental was established in the year 1998 and has been providing a wide range of machinery and equipment rental services throughout the U.A.E. We are proud of our professionalism in handling some of the most prestigious projects in the region. The ISO 9001:2008 Certification awarded to FM Rental is a reflection of its excellent quality and inexorable commitment to high standards of service. FM Rental employs qualified technicians who are trained by the company with principles to service and deliver the highest quality possible. FM Rental has full fledged branches and subsidiaries in Dubai, Abu Dhabi, Ras Al Khaimah and Fujairah. Over the years, the Company has grown and diversified to become a renowned and reliable provider of more products and services. Clear division has also helped the company to grow vertically, yet remain focused.

FM Rental is a professional ISO Certified Rental Company with its activities spread over rental and services of Sound Proof Diesel Generators, Air Compressors, Compaction Equipments, Blasting Equipments, ForkLifts, BoomLifts, Power Tools etc. A total Warehousing facility of over 25000 sq.ft. in Al Qusais Ind. Area 4, Dubai and the warehouses in Abu Dhabi, Fujairah and Ras Al Khaimah support large inventory, availability and quicker deliveries. We induct only brand new equipments into the fleet and do not compromise on quality. The successive expansion of Product Program matching to the customer requirement has made FM Rental one of the leading companies in the U.A.E. Our reliable mobile service team of trained professionals provides 24/7 assistance to any service call.

Whichever service you choose you can be guaranteed that our expert and professional staff will do a reliable job on time and to the highest of standards.

Our Vision

"FM Rental aspires to be the preferred provider of Machinery Equipment and Tool Hire for Engineering, Oil and Gas, Major Entertainment Events, Steel Fabrication, Marine and Allied Industries."

Our Mission

To constantly strive to deliver top-tiered quality services, value-added and sustainable Machinery, Equipment and Tool hire solutions to our Clients.

Our Core Value

Client Satisfaction

The satisfaction of our valued clients is the cornerstone around which we appraise the success of every equipment rental.

Employee Satisfaction

We believe that our growth is pivoted on the growth of our people.

Integrity

Our fervent commitment to high ethical standards on every assignment we undertake has earned us unrivaled reputation in the respective industries.

Innovation & Excellence

We see every new project as an opportunity to innovate through our broad-based understanding of the required equipment and the industry.

Team Work

Team Work is one of the fundamental pillars of FM Rental's work culture.

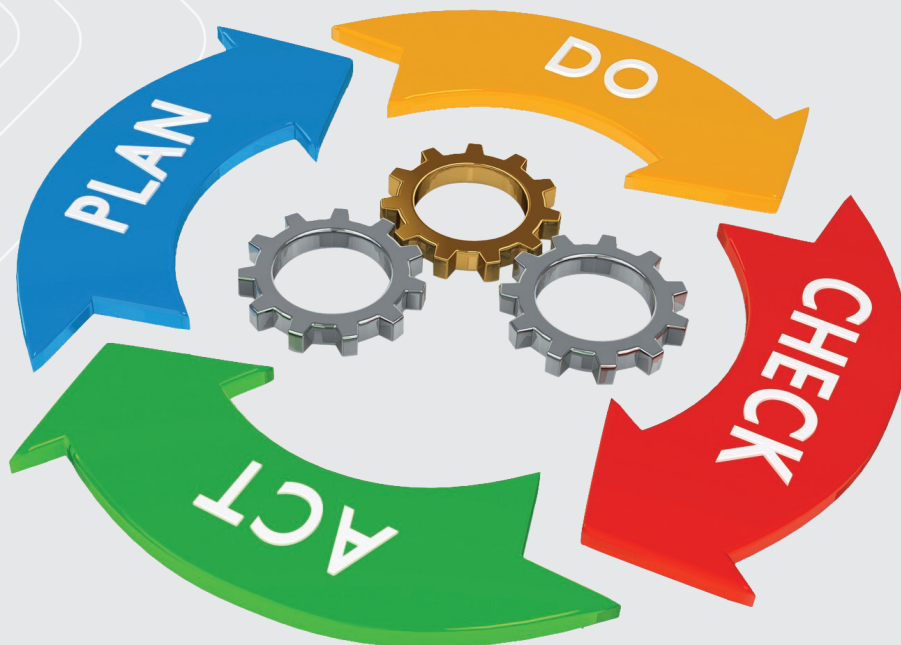

Our Commitment

We pride ourselves in our awareness and application of occupational health & safety issues, environmental & sustainability procedure and quality control/assurance.

ISO 9001:2008

FM Rental recognizes that the prime quality objective is to satisfy the needs of the clients in delivering quality products and services. Our Quality Assurance and Quality Control policy is formulated in conformity with ISO 9001:2008, and has since its inception formed the integral operational framework for all our Projects.

Sectors we serve

Construction Industry

We supply wide range of equipments for many unique and large scale projects in the region. Most of the equipment run throughout the complete life cycle of the project.

Marine Industry

The region has some of the busiest ports in the world and this keeps most of our equipment active in many ports along the coast. We take great care to supply and service equipments to all tight schedules.

Oil & Gas Industry

The Oil and Gas Sector industry is one of the main sectors that require our continuous rental of special, general equipments and tools.

Events, Leisure & Entertainment Industry

Our equipment is hired for various outdoor and Live entertainment events all over the United Arab Emirates. We provide trouble free equipment rental and management to some of the Major event organisers.

Equipment & Tool Hire

We rent equipment and tools for small, large project and for various industries. Our product range helps customers find all the equipment they required at a single point, helping them execute and manage their project very efficiently.

Steel Fabrication Industry

We also supply general and special equipment to the Steel Fabrication industry. With the increase in structural fabrication requirements in the region, our supply to this industry has grown over the years.
